QUIZ INSTRUCTIONS AND ANSWERS

You can either copy the sheets in this pack (pages 2 to 4) to hand out to the students, or put on a big quiz event. If you fancy yourself as a quizmaster, just follow the steps below:

1. Find a space

Make sure you have enough room for everybody to sit in teams and take part. Organise plenty of pens and quiz sheets.

2. Spread the word

Let the students know about your Sport Relief quiz. Tell them when and where it is, what it's for and how much it will cost to play.

3. Decide on an entry fee

Remember, all the cash you raise will go to help change people's lives. You could either charge individually or ask each team for a donation.

4. Have a prize!

Everyone loves winning, so offer a prize to reward your brainy students! If there's a draw, you could think up your own decider question.
